"We venture to say that colonial em- perusal of the report of the Republican the Brazils for Portugal, Batavia for Holland? Or, if the experience of others is lost upon us, shall we not profit by our own? What have we not sacrificed to our infatuated passion for trans-Atlantic dominion?"

He added: When a colonial acquisition has been in prospect we have thought no expenditure extravagant, no interference perflous. Gold has been to us as dust, and blood as water. Shall we never learn wisdom? Shall we never cease to prosecute a pursuit wilder than the wildest dreams of alchemy, with all the credulity and all the profusion of Sir Epicure Mammon? Those who maintain that settlements so remote conduce to the military or maritime power of nations, fly in the face of history.

Gladstone said substantially the same thing a quarter of a century later. But, since Washington and Lincoln as patriots must take back seats for Platt and Hanna, so must Gladstone and Macaulay as statesmen and historians give ray to the superior genius of Quay and McKinley.

### WATSON'S STORY OF CHRIST.

McClure's Magazine is running a serial story of the life of Christ by the Rev. John Watson, superbly illustrated and finely written, of which the author's name is a good and sufficient

Whatever the reader may believe of the Bible, or think of the divinity of between the parties this fall. Toryism, clamoring for the approval of the London bankers on the one side, and Amerof Jesus is one of keen human intericanism, independent, liberty-loving patriotic, on the other. The questions to be answered, the style of John Watson. Laying aside questions being answered, the financial the marvels and miracles, the sacreduestions being answered, the financial opics for discussion in this campaign re these:

1. Shall silver be restored to the place

1. Shall silver be restored to the place

1. The marvers and miracles, the sacred ness of the theme, as a literary topic and composition, it is a story of under the understanding the marvers and miracles, the sacred ness of the theme, as a literary topic and given in Germany. The most important market is the United States, which imports over 199,900 birds per unnum. topics for discussion in this campaign ness of the theme, as a literary topic in our financial system it occupied be- dramatic interest. If it were published its coinage was stopped? chapters were appearing in the public prints it would certainly be halled as ican, a friend of bimetallism, your the work of a master in fiction. It is to be hoped that the Democrats answer is Yes. Republicans say No. would be read by old and young alike the majority and support its candidate for congress.

Let us have no traitors or bolters or the majority and support its candidate for congress.

Assumer is Yes. Republicans say No.

2. Shall we have unlimited coinage of for its merit; it would be read by old and young alike congress and pole and support its candidate for congress.

Let us have no traitors or bolters or the four evangelists of which 3,000,000 will come from Minness and contain the past few weeks for four evangelists of which 3,000,000 will come from Minness and contain the past few weeks for four evangelists.
